# HEY ASPIRING AVIATOR!

Do you have a passion for flying and dream of becoming a professional pilot? Then you're in luck, because we at Luxair are currently looking for candidates just like you to join our Pilot Cadet Program!

As a pilot at Luxair, you will have the opportunity to fly to various exciting destinations, work within a dynamic and tight-knit community, and operate a fleet of high-performance commercial aircraft in accordance with state-of-the-art procedures. But being a commercial pilot is not just about the thrill of flying. It's also about leadership, decision-making, and putting the safety of the public first. As a pilot, you will have a big responsibility and the trust of hundreds of people on each flight. It's a rewarding job, and one of the most prestigious and respected professions in the world!

At Luxair, we value diversity, sustainability, and service excellence. We're also committed to providing our pilots with the best training and career opportunities, which is why our Pilot Cadet Program includes everything from classroom instruction and simulator training to hands-on, real-world flying experience. Our previous successful programs have shown that this will equip you with the skills and knowledge necessary to excel and pursue a fulfilling, long-term career with Luxair.

So, if you're a young graduate with a passion for aviation and for whom things like the Bernoulli principle hold no secrets, we encourage you to apply now by filling out our application questionnaire below, which shouldn't take more than a few minutes. We're looking for candidates who are eager to learn, have a positive attitude, and are committed to service excellence just like we are. Let's work together to turn your passion for flying into a fulfilling and rewarding career at Luxair!
